 Judge Echols

A G R E E D O R D E R

The Court conducted a hearing on the Petition of the United States Probation Office to revoke Defendant's supervised release on September 12, 2005. The Court finds that Defendant had violated the terms of his supervised release by not paying the restitution amount that the Court had ordered in its Order of Judgment. However, based upon the agreement of the parties and Defendant's payment of \$26,500 *in cash as immediately* additional restitution, the Court hereby DISMISSES the Petition and further directs that Defendant is RELEASED from further supervision. In keeping with the disposition of the Petition to revoke the supervised release of Defendant's co-Defendant Daniel Gagliardo, Defendant's total restitution payments to date are deemed to constitute payment in full. *RTS*

IT IS SO ORDERED.
